Article 21. To see if the Town will vote to adopt the recommendation of the Selectmen as contained in the following proposal or act in any way relating thereto.

An agreement made this (date) by and between the Town of Rindge, hereinafter known as the Town, and The First Congregational Church of Rindge, hereinafter known as the Society.

It is the intent and purpose of this agreement to establish the rights and use of specific areas in the Meeting House building, so called, and to set forth the responsibilities of both parties in the maintenance of their individual interests and their combined obligations as a whole — constituting a permanent record as of this date.

By mutual understanding it is agreed that the entire second floor containing the church auditorium, including attic area, hallways and stairs leading to the first floor of the building, shall be considered property of the Society, reserving to the Town the right to use the stairway and halls to gain access to the belfry for the purpose of maintenance and repair of the Town clock and tower. The hallway and closets on the ground floor at the front or west side of the building, together with the vestry area and kitchen as known in their present location, shall also be identified as property of the Society, which Society will accept the responsibility of maintenance and repair of the areas indicated.

By mutual consent it is agreed that the hallways between the selectmen's room and the vestry, the entrance-way, the men's and women's toilet rooms, and furnace room be known as property of both the Town and the Society with each having an equal right of use, including entrance through the door on the south side of the building. It is also agreed that the cost of repair and maintenance of the jointly owned areas be equally shared by the Town and the Society.

It is further agreed that the areas commonly known as the Town Hall, including the stage, the selectmen's room, bell, clock and tower be considered as Town property with its use stipulated by the Town as its annual meeting or by the Board of Selectmen as its agents. The cost of maintenance and repair of its property shall be borne by the Town.

By mutual agreement the Town and the Society shall equally share in the cost of repair to the heating plant and to the repair (including roofing and painting) of the outside of the building. The cost of heating, including electricity to fire the heater, together with the charge for electricity to light the bulletin board and flood lights, will be jointly shared on an equal basis by the Town and the Society.

It is also agreed that the Town pay to the Society the amount of $25.00 annually as its share of the cost to supply water to the toilets and to accept joint responsibility with the Society for the repair and maintenance of the pipe line leading from the Parsonage to the Meeting House; and also an amount of $15.00 is to be paid by the Town to the Society for a supply of water to be furnished to the Fire Station (the cost of maintenance and repair to the pipe leading from the main line to the Fire Station shall be the sole responsibility of the Town).

The above agreement is prepared by the Board of Selectmen for acceptance by the Town at its annual meeting and the Board of Trustees of the First Congregational Church of Rindge for acceptance by the Society at a regular meeting.

Article 21. A motion was presented that Article 21 be adopted with certain corrections regarding the word "kitchen." (This motion was superceded by the following amendments.)

After recessing as a committee of the whole, the matter was discussed and upon returning to the regular session, the following amendment was made:

> "That the chair appoint a committee of not more than twelve, with representatives of the Church and Selectmen to study the agreement and report back to the Town when they are in accord with same."

An amendment to the amendment was made, "that the Town support the actions of the Selectmen in their rulings concerning the Meeting House." This was voted in the affirmative.

The amendment was again amended that the committee include two members of the Society of Friends which was voted in the affirmative.

The amendment as amended:

"That the chair appoint a committee of not more than twelve with representatives of the Church and Selectmen and two members of the Society of Friends to study the agreement and report back to the Town when they are in accord."

This amendment was voted in the affirmative.

The year of 1962 was one of quiet progress at the Ingalls Memorial Library. The usual services to the school and to the public were given as far as the resources of the library allowed, ably assisted by the Bookmobile and the State Library.

In June a successful food and thrift shop sale was held. With the proceeds from this, plus a generous donation from Mr. R. B. LaRue, we were enabled to make the first payment on a set of Americana Encyclopedias. This was much needed for our Reference Department. More of this type of book should be purchased for the use of our students. With the accelerated programs of our high schools, much material is needed to supply the demands of the young people who use the library.

We are most grateful to the following friends who have so thoughtfully given books, magazines, records and money for use in the library:

Prof. Douglas Adams, Mr. Arthur Allen, Mr. Edward Brummer, Mrs. George Coppers, Mrs. S. G. Cunningham, Mr. Herbert Crowell, Mr. and Mrs. Raymond Ford, Mrs. Clara Ford, Four-H-Club, Mr. and Mrs. Robert Hindmarsh, Mr. Fred Howard, Mrs. Paul Inferrera, Mr. and Mrs. Edwin Klein, Mrs. W. H. Kenyon, Miss Aulouette Kahan, Mr. R. B. LaRue, Mrs. James MacNeil, Mr. Edward MacLeod, Mrs. John Phillips, Mrs. Ralph Pangborn, Mrs. Henry Pepper, Mrs. Amy Belle Rice, Mrs. Alice Scott, Mr. and Mrs. Douglas Sloane, Mrs. Philip Towle, Mrs. Everard Upjohn, Mrs. George Wallace and Mrs. Ralph Ward.

At this time it is fitting that a tribute be offered to the memory of Mr. Herbert Crowell. For nearly twenty years he served as caretaker of the library. Always most interested in its growth, he contributed much in service and in many kindly deeds which are most appreciated. His loss is deeply felt.

To the trustees I extend my gratitude for their cooperation in my work. To Mrs. Marshall Danforth my thanks for her assistance whenever needed. We also wish to thank Mrs. Edwin Klein who has volunteered her services on several occasions.

Mr. Sidney Flagg has taken over the work of Mr. Crowell in a most efficient way.

We extend a cordial invitation to townspeople and new comers to visit our library and learn of the services it offers.

Respectfully submitted,

CARRIE S. GRAY
Librarian

REPORT OF THE TRUSTEES OF INGALLS MEMORIAL LIBRARY

Although a certain amount of work was accomplished in 1962, plans are underway to complete several projects for repairs to the library which were previously begun. These include plastering in the museum, roof gutters and new steps on the side of the building leading to the parking lot. Funds for these projects are being held in reserve. Also it is hoped to be able to get some of the interior decorating started in the coming year.

Installation of the toilet is still a matter of great concern to the Trustees and it is expected that completion of this very important project will take place in the near future.

We are indebted to the Town and particularly to Mr. John B. Crosby for work done on the parking lot, especially for having it plowed during the winter months. A number of people already use the parking lot and we feel that the condition is such that it could become much more useful to the community.

Donations made to the library by many genreous friends have contributed greatly to expanding our resources; we sincerely appreciate their interest.

Mrs. Carrie Gray's continued faithfulness to her responsibilities as Librarian is highly valued, as is the able assistance of Mrs. June Danforth. Mr. Sidney R. Flagg has become our new caretaker; this position was left vacant by the death of Mr. Herbert Crowell whose devotion to the Library went beyond his duties.

E. WARRANT

1.

To the Inhabitants of the School District in the town of Rindge qualified to vote in district affairs:

You are hereby notified to meet at the Rindge Memorial School in said district on the 8th day of March, 1963, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To see if the district will authorize the school board to make application for and to accept, on behalf of the district, any or all grants forthcoming under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

6. To see what sum of money the district will vote to raise and appropriate in addition to the original appropriation for 1962-63, to be made available to the school district prior to July 1, 1963, in order to meet district expenses for the current year.

7. To see what sum of money the district will raise and appropriate to repair and/or replace the filter and water softener system.

8. To see what sum of money the district will vote to raise and appropriate toward improving the drainage problem at the rear of the school house (by request).

Given under our hands at said Rindge this 21st day of February, 1963.

Woodward, Lawrence F.	Music Supervisor	B.M., '58, B. U.	4	432.00
Robertson, Elizabeth T.	Art Supervisor	B.S., '60, UnH	1	294.00

There was only one change in the teaching staff this year. Mrs. Laura McKenney replaced Mrs. Jessie Baldwin as teacher of Grades 1 and 2.

B. SCHOOL PROGRAM

The activities of the Rindge Memorial School for the past twelve-month period may be divided into four general areas — school personnel, curriculum, school activities, and enrollment statistics.

School Personnel

We were fortunate in securing an experienced career teacher, Mrs. Laura McKenney, to replace Mrs. Jessie Merrit in Grades 1 and 2. A reasonably stable staff of teachers is basic to an effective school program.

During the spring semester 1962, Mrs. Hale and Mr. Wattendorf completed a University of New Hampshire Extension Course in The Teaching of Remedial Reading.

Last summer the Supervisory Union presented a two-week instructional program in phonics. The instructor, Mrs. Romalda Spalding, author of *The Writing Road to Reading,* is one of the outstanding authorities in this field. All of our teachers participated in the course.

Beginning in mid-February 1963, the Supervisory Union is conducting an in-service program entitled "A Teachers' In-

stitute in Mathematics." The course is concerned with the development of an understanding in the nature and significance of the current approach to mathematics. Although the course was designed for the teachers of our Supervisory Union, other interested teachers are participating. The program is being sponsored by Monadnock Community College and carries credit from Keene Teachers' College.

Curriculum

Our annual outdoor program at Boston University's Sargent Camp will be held on May 7-11, 1963. We are now on an alternating fall and spring schedule which allows our fifth and sixth grade pupils a more varied experience than in previous years. We feel that the program provides valuable laboratory-type teaching which strongly reinforces the work in the classroom.

Our primary grades teachers, Mrs. Hale and Mrs. McKenney, are currently presenting new mathematics materials to Grades 1 and 2. The program, "The Mathematics Workshop for Children," gives many basic concepts, the structure of number, and number patterns. To date the results have been gratifying, and we plan on further development in this direction.

Educational television has continued to supplement our instructional program, particularly in the field of science. Mrs. Sands is using "The Wonders in Science" in Grades 4 and 5, and Mr. Wattendorf "Exploring Nature" with his group.

School Activities

Among our special programs was an effective recognition of Memorial Day. Chaplain Leroy James, stationed at Fort Devens, was the guest speaker.

The classroom teachers, in cooperation with Mr. Lawrence Woodward, our music supervisor, presented a Christmas operetta, "The Christmas Thieves."

Under the direction of Mrs. Sands and Mr. Wattendorf, the school held its first science fair. The pupils of Grades four through six entered many excellent projects. Judges for the event were Mr. Basil McLeod, Mr. Alvah Niemela, and Mr. David Stewart, all members of the Conant High School faculty. Winning entries were submitted by the following:

First prize — Elizabeth Abbey ..... Lungs
Second prize — Steven Johnson ..... Levers
Third prize — Dorothy Knight .. Heat and Contraction
Fourth prize — Elizabeth Hindmarsh .. Animal Tracks

Honorable Mention:
Sandra Betourney ..... Planets
Kevin Towle ..... Telegraph

During the year our pupils enjoyed two out-of-town field trips. The primary pupils explored Benson's Wild Animal Farm at Hudson, and grades 4, 5, and 6 participated in a day's activities at the Boston Museum of Science.

Mrs. Natalie Whitney, our school lunch supervisor, held a successful Open House prior to the Christmas vacation. Commendations are in order for the high quality of our lunch program.

Enrollment Statistics

Current school enrollment figures, together with our preschool census data, indicate that we may reach an over-crowded situation next fall. It *may* be that if a small group of bus pupils were to be transferred to the Jaffrey Grade School, we would provide for a more desirable teaching environment locally. Such a proposal will not be made except in a "must" situation.

It is too early to determine if the anticipated increase next year is indicative of a steadily growing school population. Only time will tell, and the school board feels that we should begin a study of our possible needs during the next five years.

In this connection, reference might be made to the recently released "Preliminary Report of the Interim Commission on Education." This report was requested by the General Court, and is worthy of the attention of all of us. Many of the recommendations will be years in developing, but, nevertheless, the report does establish a framework within which we can and should do some critical thinking.

In conclusion, may we express our appreciation to the continued interest and support of the citizens of Rindge. We should also like to express to Mr. Howard Burt, Sr., our sincere thanks for his years of dedicated interest in our school and its children.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

The general health of Rindge children has been good except for 12 cases of chicken-pox and some skin infections, which were quickly cleared up. During the year 18 pupils were taken home from school for colds and digestive upsets. Parents have been co-operative in keeping sick children home from school.

Dr. Sterling continued his work as school physician. He examined the odd-numbered grades and was available for special problems. He directed the immunization programs and generally supervised the school health work.

The school nurse conducted vision and hearing tests and checked pupils for conditions which might require special attention. The follow-through of remedial defects shows an increasing number of corrections each year.

The annual dental clinic, supported by special funds, was continued with the limited budget. This enabled some of the pupils in the lower grades to have dental corrections, who might not be able to have them otherwise. However, the funds were not sufficient to meet the total dental needs of our pupils. Dr. Raymond Moore of Jaffrey did the work in his office, the pupils being transported by the school nurse. The fund paid for:

Appointments	36	— six half days time
Pupils treated	21	— with 16 completed
Fillings	65	
Extractions	20	
X-rays	20	
Cleanings	5	

Dr. Sterling recommended a follow-up of Salk Polio Vaccine again this year with 117 pupils receiving another shot. The Sabin Oral vaccine was offered in Jaffrey to infants and children six years old and under. During the summer many parents took their children to Jaffrey for this protection from Type I, III, and II. Eventually the Oral vaccine will be offered to everyone because of its more permanent protection.

The annual pre-school registration and examinations were held in June. On this day all pupils were advanced one grade, not only permitting the new pupils to go to school, but freeing the teacher to have just the new pupils for the day. The sixth grade visited junior high in Jaffrey at the same time. All pupils profited by this experience.

The pre-school registration provides an opportunity for the parents to receive data regarding regulations, facilities, school calendar, and school personnel, as well as to meet the teachers. At this time birth certificates are checked, health histories completed and a record system set up. Children are checked for vision, hearing, dental work, or any physical defects which might interfere with school achievement. This gives opportunity for any needed summer corrections and for vaccination, if needed. Knowing these new pupils enables school administrators to make provision for classroom and school bus needs early in the summer, thus causing less confusion in the fall.

Approved professional and staff meetings, conferences, and committee meetings were attended by the nurse, many of them on Saturday or in the evenings. Fourteen were held during the year, most of them in Concord.

Town Clerk

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible $5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another $24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never to early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 7 fires — We burned 1½ acres — Permits issued 79.
